

# Field Trip Assistance Application 2023-24

The Carnegie Arts Center has received a *Make Dreams Real* grant to provide financial support to schools in low-income and rural areas of the region, smaller schools districts, and/or schools that have not previously participated in the CAC’s field trip program. Funding will be granted on a first come first served basis and is limited. No funding is guaranteed until a request has been approved. Funding is contingent on the completion of one of two post-visit activities provided in our Teacher’s Guide.
