The Carnegie Arts Center is excited to preview our 2023-24 Season. For more than 10 years— with the generous support of our sponsors—we have shared world-class exhibitions, educational programs, and entertaining events with our regional community.

**We hope you’ll join us!**

Our season begins in September with the exhibition *Memories & Inspirations: The Davis Collection of African American Art*. This dynamic show features an eclectic gathering of pieces crossing different mediums, subjects, styles, and generations of artists who—in terms of training, experience, and expression—are strikingly diverse but unified in their use of cultural and historical narratives. This trove of enriching content will give us lots to explore with students who will be visiting the CAC on field trips. And that’s just the first of the many exciting exhibitions we’ll be presenting starting in September!

Sponsor funding supports all aspects of the CAC’s services and programs, allowing us to provide the very best in educational, enriching, and entertaining arts experiences for the entire community. With a focus on programs for youth, we make it a priority to engage children and families without cost barriers.

---

**Low or no-cost music & performing arts events are open to all ages.**

**3,000+ students from Valley schools participate in field trips annually.**

**Field trip transportation is a hurdle, but our Bus Fund covers the cost for most schools.**

**Scholarships can provide 85% tuition reduction for low-income students.**

---

When you consider the wide variety of activities, lectures, concerts, classes, and events that make an impact every year, you’ll see why the Carnegie Arts Center is someplace truly special. The CAC is one of this region’s most important educational and cultural assets, and your sponsorship makes it all possible. *Plus, your donation is tax deductible!*

Details are enclosed, but please give me a call if you’d like more information or have any questions. Thank you in advance for your continued support!

Sincerely,
