The Art of Design: Home & Garden Tour - On May 11th the Carnegie Arts Center will be hosting this one-day event that will feature four beautiful and creative residences in Turlock. Visitors will be able to tour inside and out, and will certainly be inspired. Be part of this exciting fundraiser to support one of the area's most important cultural centers -

Become a sponsor!

Combined with an exciting Preview Event on May 10th, we expect more than 1,000 attendees will be viewing the homes; this audience will be interested in interior and landscape design, home improvement, and current trends. The Carnegie's social media audience is growing every week (currently more than 4,000 followers on Instagram, Facebook, Twitter and our WordPress blog), and these platforms will be the center of activity for promotion, audience building, and ticket sales.

This is where your sponsorship will come alive!

Sponsor businesses will be featured across platforms, as well as on the Carnegie's website, with posts, photos and videos that connect our audience to your business, and your business to the important creative resources the Carnegie offers for our community. This unique design event will support the broad range of exhibits, classes, programs, student field trips and live theater for our diverse regional audiences.

Most of our family and community programs are free of charge!

Since the Carnegie Arts Center opened its doors in September 2011, More than 20,000 students have experienced art in its many forms. Thanks to our sponsors and donors, more than 70 schools from Merced, San Joaquin and Stanislaus counties have been able to visit the Carnegie at little or no cost.

Your sponsorship is tax deductible as a charitable donation.

Your support is priceless.

Thank you,
